Activity Fund Accounting

LGC's Activity Fund Accounting System (AFAS) is designed to allow local school bookkeepers to automate their student activity and other internal school accounting functions. The system provides accounting for school general funds, restricted funds, and food service funds.

GENERAL FEATURES:

- ~ MS-Windows based
- ~ Ease of use – designed for school office personnel, not an accountant
- ~ Conforms to the State of Tennessee Department of Education Internal School Uniform Accounting Policy Manual
- ~ Transaction based for ease of auditing
- ~ Audit log of all changes
- ~ User-defined security

School Travel

Sports Teams
