

<b><u>Application</u></b>	<b><u>Customer Release Notes</u></b>
UB	Completing a meter change through service orders and entering a meter change through file maintenance now allow data entry to the Read Code field and update the value entered to the service record.
XX	In all applications, the On-Line Documentation and Release Notes options were updated to display the message "Release Notes and Documentation can be accessed online at: <a href="http://www.localgovcorp.com/Support/zortec.htm">http://www.localgovcorp.com/Support/zortec.htm</a> ". The user can press enter to view the original online documentation.
